Notes	Congratulations to this weeks winning team. Only one skin again this week. We did have severral cards that we're turned in so they teams got scores of 36. We are still seeing scores not being totalled and not using first and LAST names. We have a lot of the same first names and we don't always see whose playing so it's VERY difficult to determine who the teams are. So PLEASE use FIRST, LAST names and total. Thank you.
